

**CONGREGACIÓN
MARIANA TRINITARIA**

*“Congregación Mariana Trinitaria consists of
unity, hope and dedication”.*

Dr. H. C. Catalina Mendoza Arredondo.

Christmas is a moment to reflect on our past actions and to think about upcoming events. Let the love and hope in the air these days stay with us every single day, and not only during this wonderful season. Let us fight adversities so that family bonds become the inspiration we need to start our engines.

Let us make the most of this special season and stay together to keep the light of love in the company of our family and friends.

All the people in Congregación
Mariana Trinitaria wish you a:

**Merry
Christmas**
